Re: GoTech LLC v. Spigen Inc., Civil Action No. 1-16-CV-4944- Joint Request for Adjournment of the Initial Pretrial Conference

Dear Judge Caproni:

GoTech LLC ("Plaintiff") and Spigen Inc. ("Defendant") seek adjournment of the Initial Pretrial Conference for at least two and a half weeks. Currently the initial pretrial conference is set for Friday August 26, 2016 at 10:00 a.m. Local counsel for Plaintiff will be unavailable that day due to travel and counsel for Defendant will not be available that day because of trial in another case. Thus, counsel for both sides have conflicts with this date for the initial pretrial conference. Therefore, Plaintiff and Defendant respectfully request an extension for at least two and a half weeks which would allow Plaintiff's counsel to return from traveling and Defendant's counsel to finish with trial.

This is the second request for an adjournment and extension of time in this action. Both parties consent to this request as both parties have major conflicts with the current scheduled date for the initial pretrial conference. This request does not affect any other scheduled dates, as the Court has not yet entered a scheduling order. This request has been made at least two business days prior to the deadline as instructed in the individual practices in civil cases. Additionally, this request was made as soon as possible as both parties became fully aware of the conflicts. On behalf of GoTech LLC and Spigen Inc., we hereby respectfully request that Your Honor push back the Initial Pretrial Conference deadline until at least September 15, 2016.

Sincerely,

/s/ Neal Massand
